PROFESSIONAL EXPERIENCE

Information Technology Center (Pustekinfo), DPR RI - Jakarta, Indonesia

Jul 2025 - Sep 2025

Mobile Developer Intern

- Developed and maintained a mobile application using Flutter with a PHP and MySQL backend.
- Built and integrated RESTful APIs, improving cross-module data synchronization by approximately 90% without major errors.
- Collaborated through Git and GitHub and prepared technical documentation to support future development and maintenance.

SIPWriter - East Java, Indonesia

Jun 2024 - Jul 2025

SEO Content Writer

- Produced 4-6 sports articles per week, primarily covering national and international football topics.
- Optimized each article with up to 20 target keywords to strengthen search engine visibility, readability, and content relevance.
- Applied client editorial guidelines, SEO-friendly structures, data, and current trends to create publication-ready content.

Research and Publishing Center, UIN Jakarta - Jakarta, Indonesia

Mar 2025 - Jun 2025

Book Copy Editor

- Copyedited book manuscripts for grammar, clarity, consistency, tone, and publication readiness.
- Reviewed manuscript structure and curated content to improve completeness, coherence, and logical flow.
- Supported the editorial process through manuscript review, correction, and final quality control.

Anny Djamaluddin Rasyad Foundation - Jakarta, Indonesia

Nov 2024 - Apr 2025

Administrative and Finance Consultant

- Managed bookkeeping and monitored the foundation's end-to-end financial workflows and records.
- Designed and implemented an efficient administrative system for document organization and control.
- Developed standard operating procedures (SOPs) for financial and administrative management.

Informatics Engineering Department, UIN Jakarta - Jakarta, Indonesia

Mar 2024 - Mar 2025

Research Assistant

- Conducted literature searches and analyzed scholarly sources to support faculty research projects.
- Cleaned, processed, and managed quantitative data from more than 300 respondents using Microsoft Excel.
- Created charts, tables, and diagrams to communicate research findings and support data interpretation.
- Contributed to academic article drafts, language revisions, and journal-template formatting.

Information and Public Relations Center, UIN Jakarta - Jakarta, Indonesia

Jan 2024 - Jun 2024

Editorial and Publishing Management Intern

- Copyedited and proofread campus news articles before publication to ensure accuracy, clarity, and editorial consistency.
- Translated articles from Indonesian into English for bilingual institutional publications.
- Published 10-15 articles per week through the university's official web content management platform.
- Monitored and curated institutional content republished by external media outlets.

EDUCATION

UIN Syarif Hidayatullah Jakarta - Jakarta, Indonesia
Bachelor of Informatics Engineering | GPA: 3.94/4.00

Sep 2022 - Aug 2026 (Expected)

SELECTED PUBLICATION

"Improving Digital Safety and Ethical Awareness through Community Service Initiatives in Educational Environments"
- published in a SINTA 2-indexed academic journal.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

UIN Bercerita
Story Hunter Division Lead

Dec 2024 - Dec 2025

- Planned writing and publishing schedules to maintain consistent and timely Instagram content delivery.
- Reviewed team submissions against editorial standards and coordinated revisions before publication.
- Conducted source interviews, field reporting, and photo documentation to improve content accuracy and storytelling quality.

Informatics Engineering Student Association, UIN Jakarta
Professional Development Division Lead

Jan 2024 - Jun 2025

- Led the planning and execution of seminars, webinars, training sessions, and bootcamps for Informatics Engineering students.
- Analyzed student interests and development needs to select relevant themes, speakers, and learning formats.
- Researched industry trends and coordinated internal and external stakeholders to deliver professional development programs.
